

Oasis Charter Schools- Transportation Request Form 2026-2027

Our school system offers limited bus service for students who live in the City of Cape Coral. The bus transportation provided is designed in accordance with Lee County transportation guidelines. Routes, pick-up and drop-off times, and locations will be developed prior to the start of school. Parents will receive notification of their students' bus assignment when it becomes available. Students can only be assigned to one bus stop within our system at the address listed in Focus. Students must ride the bus at least 15 days a month to stay active on the bus.

Transportation Request form will open on March 6th and end at 5:00pm on June 17th, 2026, to have a better chance for transportation for the first day of school. If you miss the deadline, transportation cannot be guaranteed for the first two weeks of school.
